OSBORNE HEATH

The ground floor has a formal living room with fireplace, snug and a modern kitchen with feature island, skylight, built-in speakers, underfloor heating, dining space and bi-folding doors out to the garden.

The first floor is wider than other houses on the road and has been extended to accommodate two double bedrooms with built-in wardrobes, an en suite bathroom and a family shower room.

The top floor has been converted to a study and double bedroom with a view of Windsor Castle.

Outside there is a west facing courtyard garden with artificial grass that has previously had side access which could potentially be re-installed.

To the front of the house there is permit parking on the road, and the current owner leases a garage at the end of the cul-de-sac.

Sunbury Road is a small cul-de-sac in-between High Street and the River Thames. The house is also within a short walk of Eton College, Windsor and Eton Riverside Station, Windsor Castle and local shops and restaurants. Eton is also convenient for the M4, M25 and Heathrow Airport. The area also has a good selection of state, private and international schools.
